

# UNITED ADORATION

## The UA Prayer

Lord, we have come together in this sacred space to tell of Your wonder and beauty through what we create. Lord, forgive us for the ways we have squandered or misused the gifts You have given us. Please purify our hearts and motives so that we may rightly use our gifts within Your Church.

Today we choose to forgive those who have rejected our creative spirit. We ask that You would heal and strengthen us, so that we may join with You in building up this creative community. May what we create be built on the foundation of Your Word, anointed by Your Holy Spirit, and presented as a pure offering of worship for Your glory.

Be present with us now as we unite our hearts, create with one another, and adore You above all else. Amen.
