

Come, Oh Spirit (Ven Espíritu)

By Max Donoso & Victor Manieri

{Verse}

Am **F** **C** **G**
In Your surrender, You gave us life
Am **F** **C** **G**
We are accepted through Your sacrifice
Am **F** **C** **G**
And now in Your Presence we are able to stand
Am **F** **C** **G**
And as we surrender, we lift up Your Name

{Chorus}

Am **F** **C** **G** **Am**
Come oh Spirit, come and fill us up
 F **C** **G**
Give us Your voice to speak of Your love
Am **F** **C** **G** **Am**
Let Your life shine through on us, oh Lord
 F **C** **G** **Am F C G**
And send us forth all over the world, all over the world
